

“It’s My Company Too!” Symposium

Engaged employees are valuable, but entangled (definition of entangled is where the employee’s and the employer’s futures are intertwined) employees are the ones who take an organization to new heights. What makes these top-performing employees have such an impact on the success of each of their organizations? What encourages their sense of organizational ownership?

Attend a one day symposium to hear from two of the authors of “It’s My Company Too!”, Kenneth Thompson, Ph.D., a professor and former chair of management at DePaul University, a Senior Lead Examiner for Illinois Performance Excellence and a Senior Lead Examiner for the Baldige National Quality Award Program; and Tom Walter, CEO of Tasty Catering and an inductee into the Chicago Entrepreneurship Hall of Fame.

List name of each registrant including company name, email address and phone number.
